The New Jersey State Board of Dentistry received the May 7, 2014 request from Jonathan M. Friedman, D.D.S. ("Dr. Friedman" or "respondent"), seeking to remove the restrictions in the Consent Order of Reinstatement filed on January 19, 2011. The New Jersey Professional Assistance Program (PAP) supports respondent's request, noting that Dr. Friedman has demonstrated over four years of continuous and documented recovery, and has agreed to continue with the PAP.

As respondent has complied with the terms of the Consent Order and in light of his representation that he has agreed to continue his participation with the PAP, the Board has determined that removal of restrictions on respondent's license imposed by the Board's prior order is consistent with the public health, safety and welfare.

IT IS, THEREFORE, ON THIS 12th DAY OF June, 2014,

ORDERED that the restrictions imposed by the Consent Order of Reinstatement filed on January 19, 2011, on the license of Jonathan M. Friedman, D.D.S., are removed.
